Python Trainee , Skill Vertex **Dec 2022-Jan 2023**

- Developed an industry-oriented **social media** application using **Python** and **Django** under mentor guidance, achieving **95% project accuracy**
- Applied **data encryption** and **secure access** controls to improve application security and reliability

ACADEMIC PROJECTS/TRAINING

- **Credit Card Fraud Detection Model**
 - Developed and evaluated ML models for credit card fraud detection, comparing performance using Accuracy, F1-Score, and ROC-AUC
 - **Tools Used:** Python, Machine Learning, XGBoost, Random Forest, SVM, Grid Search, Hyperparameter tuning and parameterization
- **Health Vista (AI-enabled Digital Healthcare Platform)**
 - A healthcare platform integrating doctor consultations, medicine ordering, and an AI-powered chatbot with an ML report analyser, contributing to 70–80% growth in platform sales.
 - **Tools Used:** Django, SQL, OpenAI, Machine Learning, Tabular
- **E-Commerce & Digital Marketing – E-Commerce Platform**
 - Developed an e-commerce platform across 20+ categories with an integrated blog for product promotion and brand visibility
 - **Tools Used:** Django, SQL, HTML, CSS, JavaScript

QUALIFICATIONS

Degree	Institute/ University/ City	%/CGPA	Year
MBA (PGDM)	Great Lakes Institute of Management, Chennai	Pursuin g	
BTech (Computer Science and Engineering)	Dayanand Sagar College of Engineering	9.04/10	2025
12th (Science)	Kendriya Vidyalaya Air Force Station	89.8%	2021
10th	Kendriya Vidyalaya Air Force Station	91.8%	2019

KEY SKILLS

- DATA VISUALISATION
- PYTHON, GENERATIVE AI
- EXCEL,POWER BI, SQL
- DATA ANALYSIS
- FINANCIAL ANALYSIS
- FINANCIAL MODELING
- QUANTITATIVE ANALYSIS

CERTIFICATE/CERTIFICATIONS

- Deep Learning | Infosys | 9 weeks | 2024
- Data Analysis | Google | 26 weeks | 2023
- Machine Learning | StanFord | 12 weeks | 2023
- Python | Skill-Vertex | 4 weeks | 2022

AWARDS & ACHIEVEMENTS

- **Ideathon (Winner):** Secured 1st place among **100+ participating teams**.
- **Hackathon-Uno (Winner):** Led the team to 1st place among **78 teams**.
- **Technoverse (Top 10):** Led the team to a Top 10 finish among **150+ teams** in Cognizant's innovation challenge
- **Prodman (Top 8):** Led the team to a **Top 8** finish among college-wide
- **IAF Merit Scholar :** Awarded a 4-year scholarship for academic excellence.

POSITIONS OF RESPONSIBILITY

- **Cultural Secretary** | Dayanand Sagar College | Led cross-functional teams to organize campus events.
- **Hackathon Team Leader** | National & College-Level Hackathons | Led teams to multiple achievements.
- **Events Committee Member** | GLIM C | Supported the planning and execution of institute events
- **Intern Team Lead** | WIN Research Center | Led technical development and product building.
